Icebreaker: What is a favorite memory you made this summer?

1. Our culture is putting a huge amount of attention on fixing racism, but does it seem to be getting better or worse?
2. How has Darwinian evolution contributed to racism? How can we trace Nazism, American slavery, and even the KKK back to the teachings of Darwin?
3. What solution does Scripture offer to the problem of racism?
4. Share your reaction to the big idea, taught in Scripture and confirmed by genetics: There is one race, the human race.
5. Have you considered that all humans just have different shades of brown skin? How could embracing this reality impact racist attitudes?
6. How can the diverse picture of heaven in Revelation 7:9–10 inspire us to unify around Jesus here and now?
7. How can we as Jesus followers be part of the solution to the racism in our nation?

WEEK 2
