CLUE GUIDE

APRIL 28, 2024

CLUE MEETING

We are sharing ministry updates during our worship gatherings this Sunday, April 28th plus via video. CLUE stands for Communicate, Listen, Understand & Encourage. Thanks for supporting and praying for God's work at Berean!

TEAM BEREAN NEWS

Our team is healthy and our campuses are growing, making more & better Jesus followers! Our newest pastors, Tyler & Mike, love serving in their roles. We are wishing Pastor Chuck the best in his retirement and thank God for his many years of service to Berean. Dave Moses is now serving as our Cincy Campus Director and we are blessed by his leadership. Currently we have one major opening: a Bainbridge campus pastor. Our pastoral search team is meeting & praying regularly. If you know someone who may be a good fit, he can find the job description at bbctransform.org/jobs.

BABY DEDICATIONS

Instead of having specific days for baby dedications, we are now offering Baby

Dedications upon request, at the campus of the parent's choice. This will make the dedications more personal and meaningful for our families and church. If you'd like to dedicate your baby, visit bbctransform.org/baby.

MINISTRIES

Our Men's Ministry hosted over 60 men at our spring men's breakfast and over 40 men attended the Band of Brother's conference. Our Women's Ministry (ReFresh) has been hosting women's events that have provided a great outlet and connection for the ladies of our church and community. Our DIRT ministry is mentoring many young people each month. There are so many other ministry opportunities for all ages: bbctransform.org/opportunities.

CONSTITUTION UPDATES

We are proposing some constitutional changes that we believe will make our by-laws clearer, more biblical, and ultimately make our church even healthier. Our desire is to gather feedback, make changes, and take a vote at our December annual meeting. We would love your input on the changes, available to read at bbctransform.org/news.

ONLINE UPDATE

Ryan Moroch is serving as our Online Director. He has greatly improved the quality of our online outreach, from social media to website to podcasts. We stream live every Sunday in three locations: Facebook, YouTube, and our website. We also offer message videos and podcasts on-demand. You can visit bbctransform.org/watch to listen or watch and share our teaching.

GENEROSITY

We are so grateful for your generosity. We receive no funding from denominations or external organizations. Your gifts help us reach more people in more places than ever in our history: Greene, Cincy, Bainbridge & Hillcrest. This is God's work and we are so honored to be part of it with you. Jesus is changing our world, one person at a time. You can give securely at bbctransform.org/give.

UPCOMING SERIES

Next week we are kicking off **5 Faith Habits**, a series about spiritual disciplines that will rock your world and grow your faith. We will align the sermon series with our kid's curriculum, so families can enjoy faith-building conversations at home.

In May we'll tackle a topic that causes arguments and insecurity for many—money! This **More than Money** series will teach us how to do finances God's way by escaping debt, investing regularly, and living generously. It will be a helpful series for all ages.

In June we'll begin our summer series titled **Servant Jesus**, walking through the small but potent Gospel of Mark. We'll be inspired by his amazing example of humble service.

In September we'll launch **7 Secrets of True Happiness**, an engaging and relevant study of Jesus' famous beatitudes.

November will be our **God and Country** series, talking about the divisive election, patriotism, and the moral slide of America. It will be both challenging & encouraging.

December's series is titled **Skeptics Welcome**. We'll tackle faith & science, racism, bigotry, and the historical Jesus in this apologetics series, designed to equip you to know and explain the Bible's worldview in a world seeking answers.

Our preaching team includes seven men who are committed to teaching you in a way that's accurate, clear, and compelling. Thank for praying for them!
